

BUZZ **HRMS**

BUILT FOR ENTERPRISE

■ About BuzzHRMS

BuzzHRMS is a complete suite of HR applications required for a growing enterprise. It is a complete plug & play solution that can be deployed on the fly and can be used from any computer with an internet connection and a web browser. While you enjoy complete portability of the solution, your data belongs to you and is securely located on a Amazon web services cloud. Above all, you get billed only for what you use!

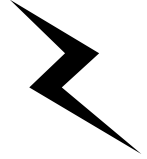

■ Built for Enterprise

01
Getting started with BuzzHRMS is as easy as signing up for a new email.

02 No upgrade in hardware is required. You can grow the number of employees as the capacity at the backend is automatically adjusted by BuzzClan.

03 Support is taken care of by the BuzzClan team to ensure 24x7 availability of the application.

07
No License fee is required because you pay per employee every month. Cost per employee becomes attractive as you grow employee headcount.

04 The BuzzClan team sets up the users and your HR can upload the data by using simple steps.

06 Dedicated support by BuzzClan ensures seamless onboarding.

05 No need to deploy any extra hardware.

BuzzHRMS is readily integrable with most payroll solutions including Intuit and Tally. You can generate strategic reports for HR related data as part of the standard solution for C-level analysis.
